

Greetham Community Playarea have been awarded a grant of £6,738 from the National Lottery. This is a fantastic amount and will allow the Under 5's area of the playpark to be completed during the Summer. With the help of the Greetham Villagers the playarea is well on its way to being installed and opened in 2018. With over 200 children in Greetham Village this will be a welcome addition to the village community. The current playarea was originally installed 20 years ago and although small improvements have been made since then, much of the equipment has become dated and worn.
