#### Newsletter

Sadly I have to inform you that the Community Centre Committee have decided that this newsletter will be the last for the foreseeable future as there will not be any news to bring you. With all events cancelled there will no reports, forthcoming dates or minutes. This will also help us conserve our funds. This decision will be reviewed when we know more. Anything important we may need to tell you will be posted on Facebook and notices put up in the shop and on the village green.

#### **Postcard**

You will have seen the postcard on the front page of this newsletter. This scheme is a joint effort between the Parish Council, Church and Community Centre. We have put together a list of volunteers who are willing to help those that are self-isolating. They will collect prescriptions, shop, chat on the phone and other urgent tasks. If you need any help, please go through the Friend named on your card. All requests are being coordinated, so that we are as efficient as possible.

If you haven't had a card please let Ken Edward (812136) or myself (813448) know.

Our volunteers are very willing but as vulnerable as the rest of us, so we must ensure that they are not put in harm's way. Please be sensitive to their welfare when you make a request. Please note – we can only collect medication that has been prescribed by a doctor.

#### **Playground**

In order to comply with the policy regatherings, we have been advised by Rutland County Council that the Playground must also be closed until further notice

Look after yourselves and keep well.

Pat Evans

Chair, Greetham Community

#### Coronavirus National Emergency.

The Parish Council by telephoning Ken Edward on 01572 812136 Or by e mailing the Parish Clerk greethampc@gmail.com

Let us hope that we all keep well.

#### WI

Greetham WI meetings with regret will be cancelled for the next few months

## Easter Bingo, Parish Council, Rutland Mobile Library, Greetham Monthly Sunday Quiz and Speedwatch are also cancelled

#### **Greetham Gatherings**

It is with regret but understanding that the organisers of the Greetham Gatherings have announced that in line with Government advice; and for the health and wellbeing of our supporters, that the Greetham Gatherings will be cancelled until further notice. Whilst we recognise that this will be disappointing, we have to prioritise health and safety. The Community Centre is closing and this too reflects the seriousness of the situation.

We thank all our supporters for all they have done to date, and when it is safe to do so we shall hold Gatherings again. We shall keep you posted. Martin Fairbairn

#### **REVIEWS**

#### Village clean up

A very big thank you to our gang of over 20 people who turned up to tidy the village on our annual Spring Clean. The weather was kind to us and in an hour and a half everywhere was litter free. What a great village we live in and what a great team of volunteers we can muster. A big thank you from your Parish Council.

A week later a working party tidied up the Burial Ground

#### Greetham Women's Institute March 2020

32 members were present and one guest.

**Birthday Posies** were give to Chris Parkin, Claire, Sue Young, Vicky, Sue Bamber and Carol. There was a special posy for Peggie who makes all the posies throughout the year for the rest of us.

**Our Speaker** was Jill Collinge talking about "Powder and Paint". Jill took us through the history of how we humans have tried to improve our appearance. She started with Neanderthal man who is known to have decorated his body. She then visited different civilisations, and went on to discuss various periods of British history until she came to the present day, with its choice of body piercings, tattoos, plastic surgery and vast array of creams and cosmetics.

We are pleased that we are living in modern times and do not have to rely on such items as pigeon droppings, mouse hair and white lead powder (highly toxic). The early false teeth sounded particularly unpleasant. We are also fortunate that our modern hair styles do not require us to raise our car roofs in order to accommodate them.

She concluded her very entertaining and lively talk with a warning that there is a 17<sup>th</sup> century law, never repealed, which states that any woman luring a man into marriage by use of makeup, etc. could be tried for witchcraft. **The evening was completed by Pat Kenworthy** who gave two readings. Both were highly amusing and we finished the evening in good spirits.

#### Greetham Vikings' Petanque Club

On Sunday, 15th March nearly forty people sat down to the Vikings' Petanque Club's French Lunch. We arrange our French Lunch in late February or early March to cheer people up after the bleak winter months. On the menu was 'boeuf en daube (beef casserole) profiteroles with wonderful chocolate sauce, a nice ripe brie and a variety of drinks. Our thanks to the chefs, Clare and Linda for their culinary expertise, Steve for his varied and interesting

French Quiz -he always says it's easy, but most of us gamefully disagreed we hope sets another one next year-congratulations to Jenny Blackwell who won the quiz

Thanks to all those who lugged heavy furniture out of the small hall in order for us to set the tables. The Club's lunch was a delightful way to spend a Sunday Lunchtime and in true French tradition we all took our time over the lunch and enjoyed our many conversations.

Whilst this has turned out to be the last function at the Community Centre for some time to come so it was good that so many people could come and enjoy good food, good drink and importantly good company.

Peter Hitchcox President Greetham Vikings

#### McGoo @ The Wheatsheaf Sunday 15th March.

An enjoyable evening at The Wheatsheaf to celebrate St Patrick's night. Understandably less people came but we still had a good night. Guinness was flowing and the music was great as always.

The reason for the event was to raise money for Brake, the road safety charity in memory of our chef Joe. We had the now famous bottle raffle and also a food hamper raffle.

In total we raised £647.00. So a big thank you to all of you who entered the raffles, donated to the bottle raffle and to our suppliers for donating to the food hamper. Also for Sue & Graham, Joe's Mum & Dad, for wrapping the bottles and running the raffle on the night.

Maybe we can do it again next year. Keep safe and thank you from all in McGoo and The Wheatsheaf.

#### **GENERAL**

#### Facebook

"Greetham in Rutland" face book page. Now may be the time to join the village facebook page as it will enable everyone to stay in contact with each other. The page currently has 533 members, (and is growing daily now) most of which live or have lived or work in the village. Once you are a member it will enable you to connect easily with other villagers and will enable everyone to post messages and keep up to date with everything happening (or not) in the village. If you are unsure how to do this or require assistance to sign up contact Karen on tel 812808

#### St. Mary's Church Reminder

In this uncertain climate please remember that the Church is open every day from 8.00am until about 5.00pm for quiet reflection or prayer. You can also leave prayer requests on the table in the church or ask a member of the Church family to pray with you.

#### **Sheep Worrying**

It's the start of the lambing season and we have already had some sheep worrying this month in Wing where a lamb and 3 chickens were killed by a dog off its lead. Please know the law.

#### Lambing season- keep your dogs on leads around sheep!

Lambing season has now started so please can all dog owners keep their dogs on leads around as well as in fields of sheep. Pregnant ewes will abort their lambs and can suffer heart attacks through the stress of being chased even if the dog never catches them. Any and all breeds of dogs are capable of doing huge amounts of damage in minutes - do not risk them or the sheep's/ lambs lives.

An excellent turnout on 10<sup>th</sup> March. All speakers made a really positive contribution and gave some very useful information.

#### 4.7 Church Lane Burial Ground road condition

Letters had been sent out asking about ownership of the land. RCC have advised that the land is not registered and the area in question is a public footpath and as such is a una-

dopted byway. As the damage has been done by a third party, it is their duty to clean up the path. RCC have been in touch with the farmer.

As of inspection today, 20 yards from the burial ground there is still deep mud and the path is rutted. The path will be checked again on Saturday during the burial ground tidy up. If it still remains the same, it will be reported to RCC to take action.

#### 7 Standing Orders and Focus Groups

#### 7.1 Fix my Street and Highways

Highways Report (Appendix 2)

Request for speed indicators at each end of the village to be re-set from 30 mph to 20 mph has not been responded to, along with many other issues reported on the Fix my Street portal.

Agreed for JD and PH to meet to discuss the Fix my Street portal and arrange a face to face meeting with Highways.

It was noted that problems still exist with the road outside the old Post Office, which needs to be reported.

#### 7.2 Local Plan Review

The draft local plan is due to be distributed on Friday. The consultation period has been extended to 8 weeks. Comments will be discussed at the next parish council meeting in April to make an official response.

7.3 **Traffic/Footpaths/Pavements/Lighting**Registered footpaths - the registration of any "lost" footpaths by 2026, in order to prevent losing their legal status. There are maps available in the library to view.

#### 7.4 Road Safety in Greetham

PH attended a Speedwatch meeting on 12<sup>th</sup> February, the dates assigned to Greetham to participate in the scheme are 22<sup>nd</sup> August to 4<sup>th</sup> September. We will need to identify two (possibly three) areas of concern where speed watch can be used. There will be formal involvement by TRASP (Village traffic action group). Volunteers are offered training and results will be fed back to Leicestershire Police..

The Traffic Focus Group met on 27th February and have recommended that PH and AJ arrange a meeting with Alicia Kearns, MP.

#### 7.5 Burial Ground Policy

Proposed clause regarding previously purchased plots:

A burial plot is bought with rights for 50 years in the name of a specific individual. No refund is available once a plot is purchased and only the person named can be buried in the plot. A very close relative may qualify to be buried instead at the discretion of GPC burial group.

Proposed by AJ. Seconded by JD - Policy agreed

#### 7.6 Trees/ Benches/ Clean up

Unexpected costs regarding acquisition and installation of a bench - options were discussed.

Agreed to go ahead with the new bench by the side of the bus shelter on Un adopted land to avoid charges.

Permanent posts to be installed around the existing bench at bus shelter to stop parking.

7.7 Residents have raised concern about the increased dog mess in the village. In particular, one resident complaint about dog mess repeatedly left outside their home in Main Street.

Agreed for PH to write an article for newsletter to raise awareness and pass the article to Karen Mellor to put on Greetham facebook page.

#### 7.8 Jacobs Well and Signage

DH has written to RCC Highways twice - no response received. Agreed for NB to escalate.

The signage for Village Information Boards has taken longer than anticipated to get the artwork sorted, hence the delay.

#### 7.8 Community Centre Grant Project

Projects are ongoing and grants are being applied for.

#### **8 Community Centre**

The Chair reported on a meeting held with RCC on Monday regarding S106 and CIL funds. Clarification had been given as to how these funds are collected from developments and how they can be used. There are earmarked funds of £42000 from existing developments.

The Chair and Vice-Chair are working on a proposal and will arrange a meeting with Rob Clayton at RCC in due course.

9 Welcome Card Visit New resident in Church Lane

#### 10 Correspondence and Communication

- 10.1 A complaint received from a resident in Great Lane, regarding overhanging trees from the Community Centre grounds adjacent to their property. Request for the branches to be lopped to prevent damage to the gable end wall. This was agreed.
- 10.2 Notification from Highways England of essential investigation works to start 24<sup>th</sup> February to 9<sup>th</sup> March A1 Wothorpe to South Witham *For information*
- 10.3 A resident has raised concern on increased dog mess left on pavements in the village
- 10.4 Parish forum Meeting March 23<sup>rd</sup> at 7pm.
- 10.5 Rutland North Beat Report (February) for information
- 2 burglaries (include sheds) no other major concerns.

A very informative talk at the annual parish village meeting this week by Laurie Appleton. Agreed it would be good to set up a link on the Greetham website with information and contacts.

10.6 Communication has been received from the owner of Greetham village shop and post office. This is still up for sale, the lease is up in April and the current owner will not be signing a new one. It is intended to keep the shop going as long as possible month by month, but if the shop is not sold there is a question as to how long it will remain open.

If anyone is interested, please contact the shop in the first instance.

Greetham Parish Council would like to know what active support it would get if a project was set up for a Community Shop and Post Office. GPC feel that the sale of the shop and post office to an owner is preferred.

A Community Shop would need 20 plus people to get involved and for those volunteers to give guite a large amount of time.

#### World Book Day 2020

The school was transformed into Wonderland for World Book Day this year with all the staff and children dressed as characters from Lewis Carroll's 'Alice in Wonderland'.

The children spent the day exploring parts of the book, including looking at the characters in their French lessons and playing croquet during PE!

The day finished by sharing a Mad Hatter's tea party prepared by our youngest children and listening to some stories.
