Setting up 8.00am Saturday 13th July and helpers still needed for setting up and taking down.

Come along for the BBQ, great teas, games for all ages, the Rutland Morris Men and a fun family day out.

REVIEWS

Greetham women's Institute June 2019

22 members attended together with 6 friends and family. A birthday posy was given to Ande.

This meeting was our annual outing. We met up at the Rutland Water Harbour Cafe and enjoyed a good chat while having a hot drink and snack. We had planned a "bring and share" picnic but it was a cold, wet day so we were happy to be indoors. The joys of the British weather! Everyone was in very good spirits as we boarded the Rutland Belle. Our guide told us a lot about the Rutland ospreys and how to identify them from their flight pattern. He pointed one out to us just before it dived into the water. We also learned how to recognise cormorants and gulls, even when in flight.

It was a very enjoyable and informative outing.

Next Month's Meeting on July 8th is Helen Philips talking about "Door to the Himalayas". Helen is a highly recommended speaker who has lived and worked with the people of the Himalayas. We will start with refreshments at 7.30pm and the speaker will be at 7.50pm. This will be an open meeting with a charge of £5 to non-members so we will be in the big hall. The speaker will bring some attractive items to sell. We hope lots of people will join us.

Open Gardens

Thank you very much for your contribution to our very successful Open Gardens Day yesterday. Mo banked £1510 this morning which is brilliant. We were blessed with an extraordinary break in the weather weren't we - Saturday and today were awful.

We can now look forward to the Church fete on 13th July and then have a rest from baking etc.

Thank you again Helen

A very big 'thank you' for the support of the Garden Plant Stall on Sunday 9^{th} June. The plants were of a very high quality so 'thanks' to the growers. We made an excellent total of £399.

Karen M and Chris P

June Gathering - another great night
Firstly, sorry for the briefness of this month's Gathering article – time and
circumstances did not allow a full write up. However the key points are:
☐ The weather was very kind to us – even with heavy black clouds
overhead the event stayed dry – we are grateful for that
☐ The attendance was brilliant again. At time of writing we don't have
the attendance figures (I'll put them in July's write up) but we are confident
they are up there with the best we've had before. Lots of previously un-
seen vehicles and many of our faithful regulars to whom we are always

grateful.

We used the overflow car park! We allocated most of the Community Centre field to classic vehicles and we had about 100 visitors use the adjoining overflow car park. An indication that the Gathering is getting bigger and better?

We were finally able to present our 2018 donation of £2400.00 to the local Air Ambulance representative. In the photo (front cover) you can see the Gathering organisers (from left to right) Roly Easson, Martin Fairbairn, Mike Carr, Vicky Evans (Air Ambulance), Gilbert and Janet Thomas with the donation. Thanks as always to those that assist and support. We all know that without your contribution, whether baking cakes, serving drinks, providing hot food, grass cutting, assisting with set-up, put away and vehicle parking –the Gathering would not be what it is today. Again – Thank You. See you at the July Gathering?

Martin Fairbairn Christian Aid

The Christian Aid Collection raised £214.91 of this £185 was Gift Aided so the total with the tax relief should reach £250.00. Thank you again for your generosity. Thank you too to Nicole and Colleagues at The Village Shop who once again acted as our collection point. Peter Hitchcox

May 22nd Proposed: AJ Seconded: DH May 22nd AGM minutes Proposed: DH Seconded: RK

4 Matters arising.

AGM Meeting

RALC Rules: Requirement to stand when addressing meeting – not mandatory and will not be adopted.

LRALC Rules: Requirement to obtain and keep by-laws – awaiting response from LRALC. Going forward there will be an Annual Parish Council Meeting which will encompass the normal May meeting as well.

Ongoing:

Blocked drains update. Traffic/Footpaths/Pavements/Lighting Focus Group to write to RCC and request an on-site visit to discuss on-going issues regarding blocked drains in Stretton Road leading up to Thistleton Road and Church Lane corner of Main Street. Path dust by quarry and accident damage to path: To be included in request for RCC to attend site visit.

Lovells – update on tree planting. PH met with RCC to review planting plan. Only 25 out of 44 trees currently planted, many of the 25 have since died. RCC to write to Lovell to enforce planting of trees at appropriate time.

Northbrook tree planting. This site also visited with RCC. Trees should be re-instated by 30th June 2019. Forestry Commission will escalate enforcement process. PH to follow up.

Next Annual Parish Meeting May 27th 2020

14 Note items to be filed on Dropbox from this meeting for future reference.

All invoices and correspondence will be available on Dropbox for all Parish Councillors to view prior to and after meetings.

From the Chair of Greetham Parish Council

Five things that can make a difference:

- 1. When reviewing any planning in the village please take the time to look on the Parish Page of the Greetham Website. There is a document called "Material Planning Considerations." By focusing your comments to things that are relevant the planners will take better notice of your issues.
- 2. In order that your views are taken into consideration with planning or anything else, you need to write to your Parish Council and RCC. Written objections carry weight and force and the planners deal with plans more thoroughly if the number of objections warrant it.
- 3. Join in with occasions in the village, such as Village Clean Ups and Burial Ground tidy days. Not only is this most helpful to your PC but it also shares ownership of the Village with you and your fellow villagers.
- 4. You can volunteer to join Focus Groups on the PC if you feel you have expertise or knowledge that might steer us in the right direction. Unfortunately, it is much easier to let others do it, but you cannot disapprove if you kept quiet and uninvolved while they did something.
- 5. Over the last year our PC representatives on the Community Centre Committee have become heavily involved in all aspects of running the centre. A group called Friends of the CC has been set up on a WhatsApp group to help get volunteers to do small jobs and help spread the load. You would be sent requests of things that need doing (often very small) and then if you can you just reply by e mail and volunteer. There is no commitment when joining the group that you must do anything. Without the Community Centre the village would be a poorer place and many hands make light work! There will be a social evening Bring and Share on Tuesday July 16th between 6.00pm and 8.30 pm at the Community Centre. Come along and join the group and see if there is a little job you could do to help. The bar will be open and the active members of our community are bound to all be there!

Tree Warden Update

I met with the Rutland County Council Enforcement Officer on May 30th at Begy Gardens to review the tree planting there. Forty- four trees were on the development plans. At present there are twenty-five many of which are dead. The enforcement officer will once again contact Lovells, the developers, to insist that planting is carried out. We also visited the site at the back of Northbrook Close. Now that planning has been refused on that site, the Forestry Commission can now insist that replanting must take place. Peter Hitchcox

How our youngest children have grown!

It has been lovely watching our youngest children develop as they start their journey through school this year. Not only have they developed their skills in reading, writing and maths, but they have also developed their independence in looking after themselves and exploring the world around them. Here are just a few pictures to show them at work and play!

Science through water and shaving foam play using our updated outdoor area.

We enjoy our snacks in the morning. We learn to wash up after ourselves too!

Phonics sessions help to develop reading and writing. Sometimes the children take the lead in teaching each other!

School website: www.extonschool.co.uk

Phone: 01572 812380 to arrange a visit.
