## **GREETHAM COMMUNITY CENTRE**

The Community Centre has now moved into the 21st Century - We have WiFi, many thanks to Martin Fairbairn. The password is GCCisnumber1, but this will change periodically.

We, and I am sure the children, are looking forward to Halloween. To date we have sold around 60 tickets, but I am sure some will come up on the night. Don't miss out - the disco will be great.

The following weekend we have the Fireworks Party. This is free to everyone, Food will be on sale as last year and there might be the odd "donation bucket" being passed round. All proceeds, including any profit made on the food will be ploughed back into the Community Centre. Come along and enjoy the night with us.

Details of the Children's Christmas party are also in this Newsletter - it's never too early to book your places. Just let me know (Maureen 813061).

Ladies, if you fancy a spot of line dancing - why not join us on a Wednesday evening for the next eight weeks starting on 21st October. Cowboy boots and hats at the ready!!

Following our very successful "Gatherings", we were booked to do a 20-49 Classic Car Event afternoon tea last Sunday. We have today had a very nice thank you email from the organisers and saying it's the best tea they have had, so once again Greetham can pat themselves on the back.

Other events at the Centre are going ahead, although both Petanque and Bowls have finished their Season.

Bookings are available, just ring the Bookings Secretary and I am sure she will be able to help.

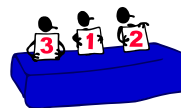

Greetham Community Centre Committee

### ***Autumn Village Clear Up***

A very big thank you to Anne, Dave, Gill, Roy, Lesley, Jane, Lorraine, Karen, Linda, Sandy, Stef and his daughter for a good morning's swoop on litter. 16 bags of refuse were picked up from the streets and paths of Greetham in a valiant clean sweep. I am delighted to report that we have noticed a great improvement since our last clear up and found far less dog mess and general litter, especially on the Community Centre field and up Great Lane. Let's hope this is the beginning of a new era in Greetham and that we can now be justly proud of our lovely clean village.

Please keep up the good work and take all litter home with you, or pop it in one of the many bins around the village.

Thank you!

Ken Edward Chair Greetham Parish Council

This is a very simple way of helping children in another country who may never have received a gift before. Many are orphans or are very sick (often terminal) or just living with poor families in very poor conditions. If you would like to know more please contact me or pick up a leaflet from either Cottesmore, Exton or Greetham churches. The leaflet explains what to do and what to include in the box. Completed boxes need to be with me by Sunday 15 November or left at one of the mentioned churches. Do please join in and help to bring joy to thousands of children.

Patricia Hagger, 01572 813118

## **News from 1<sup>st</sup> Cottesmore Brownies -Autumn Term 2015**

We've had a busy start to our new term and welcomed 6 new Brownies. We are working on our World Culture Badge and in November we are visiting Cadbury World in Birmingham, which the Brownies (and Leaders) are looking forward to.

On Thursday 10 September we held a 'Right Royal Rave Up!' to celebrate our Queen becoming the Longest Reigning Monarch; we played

a Royal 'Family Tree' Game, Royal Baby Bingo and made crowns. Also each Brownie was given a badge to commemorate this special occasion. In the coming weeks we will be supporting the Lands' End Pink Thread Charity Event, by decorating a 'Pink' pennant which will be displayed, along with others made throughout the County, in All Saints' Church, Oakham on 30 October.

We are also taking part in the Rutland Guiding Art and Craft Show in October, which will enable all sections of Girlguiding Rutland to show off their crafty skills.

For more information please contact Bernie Wallace, Unit Leader, 01572 812956/07858484918

## ***Neighbourhood Watch***

In September there was an attempted theft of a Toyota Land Cruiser from the drive in front of a house. The thieves cut through the steering wheel to remove a steering wheel lock and smashed the ignition switch. Their attempted to start the vehicle failed and they abandoned the vehicle down the road. Expensive damage was done to the vehicle.

**Neighbourhood Plan**

Last month I reported that we hoped to be distributing a First Consultation document on the draft Neighbourhood Plan at the end of November. Unfortunately we have had to delay this, as expert advice has been received that our draft plan did not fully comply with formal requirements. So it is not so much "back to the drawing board" as a bit of redrafting to meet the requirements. We are sorry about this delay.

## TELEPHONE PREFERENCE SERVICE

### How can they help you?

The Telephone Preference Service is part of the Direct Marketing Association; the service is there, to help you stop unwanted telephone sales calls. Registering with this service will reduce the amount of telephone sales calls (and silent calls) that you receive.

### TELEPHONE PREFERENCE SERVICE

The Telephone Preference Service (TPS) helps you to make sure your telephone number is no longer available to organisations who may telephone you with offers and information you do not wish to receive. These may include the following:

- Double Glazing
- Phone Packages
- Gas, Electricity & Supply
- Accident/Home Insurance

Registering with the Telephone Preference Service will not stop calls from market research organisations. If you also wish to stop these calls or any other non direct marketing calls, you will need to contact each company directly.

Registering is free and there are 3 simple ways to do so. You can phone the registration line on **0845 070 0707**, (call charges may vary) where you will be asked to record the telephone number you wish to register. If you have access to the internet you may wish to register online at the TPS website at [www.tpsonline.org.uk](http://www.tpsonline.org.uk) and click on the link to register. Alternatively you may wish to write or fax the TPS at the following address:

The Telephone Preference Service, DMA House, 70 Margaret Street, London, W1W 8SS  
It will take up to 28 days for your registration to take effect.

If you wish to check if your number is registered already or if you wish to cancel your registration, just dial 0845 070 0707 and select the option to speak to an advisor.

## Exton and Greetham CE Primary School

*Serving the communities of Greetham and Exton*

One of our parents, Ruth Douglas, recently reviewed our school on [www.schoolguide.co.uk](http://www.schoolguide.co.uk) with the following kind words.

***"Small but super... go and see for yourself!"***

You might think that this school was not worth driving to Exton to see! What a hidden gem you would miss. My two very different children go to this school where they are both equally happy. I believe they are thriving because the school is small enough for their individual needs to be known and supported and their strengths celebrated. Regardless of gender or age, the small number of pupils play and work well together. There are plenty of leadership opportunities for the older children, which mine really appreciate. The curriculum is well planned to cater for the mixed age/ability classes and I regularly hear what they have been learning about, which to me, is a key indicator of engaged learning. The homework set is fun and my children are motivated by their element of choice. The school has great wrap around care which mine ask to go to even if I don't need them to be there. It's also working hard to encourage the children to develop good learning habits and above all, as a concerned parent, I'm grateful that I can approach the class or head teacher with any query I may have and know it will be dealt with professionally and competently. If you live in this area, do not hesitate to go and visit this enclave set amidst the rolling, green hills to see some happy, self-assured children learning so much more than just how to pass a test.

It is lovely to hear a parent describe our school just as we hope it is perceived as staff. If your child is due to start school next September, do look at the website, [www.extonschool.co.uk](http://www.extonschool.co.uk), and ring the school on 01572 812380 to arrange a visit and find out what your local school has to offer.
